

RESOLUTION # 51 - 2018

Resolution to approve Oneida-Vilas Transit Commission to establish a revolving line of credit.

Resolution offered by the Supervisors of the Administration Committee

WHEREAS, the Oneida-Vilas Transit Commission (Transit Commission) has operating expenses, some of which are paid for by grants from the State of Wisconsin and/or the United States Government, either directly, or through member counties, however some of the money from such grants is not provided until after the expenses are incurred; and

WHEREAS, In order to pay such expenses for which grant funds will later be received, the Transit Commission wishes to establish a revolving line of credit with a properly licensed lending institution in an amount of \$100,000 or less; and

WHEREAS, the Oneida-Vilas Transit Commission Charter (Article IV, Sec. 3) may require "Member Municipalities" to approve borrowing of this nature by the Transit Commission; and

WHEREAS, Vilas County Board of Supervisors has approved or will need to approve a resolution allowing the Transit Commission to undertake the borrowing allowed by this resolution.

NOW, THEREFORE, BE IT RESOLVED, that the Oneida County Board of Supervisors approves the Oneida-Vilas Transit Commission obtaining a revolving line of credit, in the name of the Commission alone, from a properly licensed lending institution, in an amount of \$100,000.00, or less, and drawing funds from such line of credit, with such funds to be used only to pay expenses of the Transit Commission for which the Transit Commission has valid, executed, contracts to receive grant funds in amounts sufficient to repay the drawn funds.

BE IT FURTHER RESOLVED, that the Oneida County Board of Supervisors specifically **does not** grant the Commission power to do any of the following things:

- a. Establish a line of credit in the name of Oneida County; or,
- b. Establish a line of credit in a way that requires Oneida County to co-sign or otherwise guarantee any such borrowing; or,
- c. Establish a line of credit in any way that makes Oneida County liable for repayment of part or all of any amounts provided by any lending institution under such line of credit or any interest, penalties, or costs of any nature associated with such line of credit; or
- d. Establish a line of credit that in any way pledges or encumbers any property of Oneida County, either real or personal, as collateral for any such loan; or,
- e. Establish a line of credit that requires Oneida County to reimburse the Commission for any amount in any way associated with such loan, except for reimbursement from grants received by Oneida County from the State of Wisconsin and/or United State Government under circumstances in which Oneida County and the Transit Commission have entered into a written contract requiring such reimbursement.

BE IT FURTHER RESOLVED, that all funds obtained by the Transit Commission under the line of credit at any time shall be repaid by the Transit Commission immediately upon receipt of grant reimbursement funds meant to be used for the expenses for which such funds were

used, and that Oneida County neither offers nor extends to any lending institution any collateral or repayment guarantees regarding this Transit Commission loan.

BE IT FURTHER RESOLVED, that this approval shall only be valid if the Vilas County Board also grants approval for such line of credit, and only remain valid so long as the approval granted by the Vilas County Board for such borrowing remains valid.

BE IT FURTHER RESOLVED, that this approval may be withdrawn by the Oneida County Board of Supervisors, and, upon such withdrawal, the Transit Commission shall immediately cease drawing on such line of credit, and shall repay all outstanding amounts owing as soon as is reasonably practicable.
